

## **CWA Gidgegannup Branch – Newsletter March 2018**

---

After a very successful 2017, we are now getting into full swing organising activities and events for 2018.

Before returning to all fun things to happen at our branch, we had a relaxing and delicious lunch at the Mundaring Tavern in January. It was a good get-together where everyone shared their Christmas and New Year Celebrations.

The Salvation Army rang our President Terrienne as they needed help in their food van catering for the firies who were containing the bush fire at O'Brien and Burgess Roads, Gidgegannup. Terrienne and Lyn attended and did the 11pm to 5am shift. Well done ladies, a fabulous effort.

We cooked a sausage sizzle at our hall for WA Skate in January for 45 children and parents. The children utilised the local skate park next to our hall and they all had a wonderful time.

Our up and coming 65th birthday is 5th March. Invitations were sent out last year and we are getting a good response back. It is going to be a busy few weeks making gifts for our guests and arranging our hall. The guests will arrive to a hot cup of coffee or tea and biscuit followed by a light appetising lunch.

Our first community project to start the year is making calico dolls for the children at Midland Hospital. This year we will also deliver dolls to the Northam Hospital.

A big welcome to Kylie and Fiona, our first new members for this year.

Also, welcome back Sheila from Scotland. Sheila comes out every year to visit her family and spends Wednesday's with us. It is great to have you all.

G is our Girls - always busy - never still  
I is the Invites, the cards we must fill  
D means devotion in all that we do  
G is Good Health, wished by us to you  
E stands for Effort, whatever the job  
G is our Gratitude for help from dear Bob  
A is for All - we'll do what it takes  
N is the Nuts we put into our cakes  
N and also November, the work that it takes  
U is for Us - no last minute tears  
P is the Promise - "We'll come back for years"
