Apologies to those we have not sent invoices/receipts to. We are working on it but demand has been so great this year.

This year we have again the Alpaca Association Show starting on 26th May, 2018, also the Mounted Games Association games over the two days.

The SFFD starts on the Sunday to an amazing selection of talks and demos. The Slow Food Movement will be holding their lunch again with tastings, local producers, disco soup. This year up by the Landcare building we needed more space. The Wood Turners are turning out in force this year. A fascinating hobby so come along and see what it has to offer you.

A huge amount of exhibitors with a great quantity of agricultural machinery.

Plenty for the kids as well.
