Our thanks to Ken and Vicki Kuehlman for allowing us to visit Lake Josephine for this event again.

EXPERIENCE MARQUEE AT THE SHOW

Hope you enjoyed the show and all it had to offer. Good weather thank goodness so that all the exhibitors and visitors can have a great day.

SMALL FARM FIELD DAY

Sunday, 26th May, 2019 – sounds a long way off but plans are already under way. This year we are extremely pleased to announce that the Honey Festival will be holding their event in conjunction with the Small Farm Field Day. Also the Slow Food Movement will be involved, the Alpaca Association, the Mounted Games, the Woodturners Association, all our normal entertainers and livestock exhibitors and some great talks. More information will be available as we progress.

A lot of planning to do in the next months to produce this event one again in its twelfth year. We did cop some flack when we had the inaugural

Experience Gidgegannup Inc - November 2018

event that a second event in Gidge would not be successful. We have worked so hard though over that time to make this a completely different event to the Show with its programme of talks and demonstrations. We have been fortunate as well to have gained so many great partners over the years, who all add to the fabric of the day.

We look forward to 2019 and hope you will as well. Entry forms will be available in early 2019 and we look forward to welcoming you all again next year.

In the meantime a very happy Christmas and successful New Year.
