10th ANNIVERSARY CELEBRATION

For the past ten years Gidgegannup Horse and Pony Club has held a One Day Event at their grounds which has evolved, with the help of some wonderful sponsors and a dedicated committee into THE GIDGEGANNUP CNC **, an exciting equestrian event which attracts around 250 riders and 1000 followers and spectators, from around the state.

THE GIDGEGANNUP CNC** is an equestrian competition which consists of a dressage test, a showjumping round and a cross country phase, ridden over two days. We run 12 classes, at the event, Intro 1 to Two Star for Equestrian WA riders and pony club E, D and C classes. These classes cater for beginners through to the very experienced, Olympic level riders.

This year we are trying a new format for the event which will see it run over two consecutive weekends with class numbers increased to 16. This way we can accommodate all the riders who wish to enter our event, which we anticipate will be around 425-450 along with up to 2000 spectators and followers.

THE GIDGEGANNUP CNC ** is an exciting colourful spectacle and we would like to invite everyone to come along, have a look and help celebrate our 10th anniversary.
