## NOTES RE STANDARD ENTRY FORM

### CLASS INDICATOR & CLASS NAME

Each Class within this Scheduled is identified by a CLASS INDICATOR and a CLASS NAME.

e.g. N106 Apricot Jam

Exhibitors should put only these details in the two left hand columns of the Entry Form.

Notes: Our computer programme recognises the Class Indicator only – then verifies the Class Name.

For Some Classes, the Exhibitor may be requested to provide the completion date, name the type, variety, dimensions etc. of the exhibit, e.g. N116 Preserved Fruit AV (Name Variety).  
Insert such comments in the ADDITIONAL INFORMATION column. Be brief.

Should an Exhibitor wish to enter more than one exhibit in the same Class, they may either use one line for each exhibit or in the centre column, indicate the number of exhibits being entered for that particular Class.

Entry Fees apply to each Exhibit Class and are shown in each Section's Notes.  
Please double-check to prevent over or under payment.

- Please do not sticky tape money to Entry Forms. (Try sticking coins to light cardboard.)
- To put coins through the post is at your own risk.

### NOTES RE EXHIBITORS:

Sections A – F: Exhibitor must be the producer or grower but can be in the name of an individual, Stud, Company or Partnership.

Sections J – T: Must be the work of one exhibitor and in that exhibitor's name.  
(Exceptions: Only by GAS Committee approval)

An 'Exhibitors Confirmation' Form, printed on distinctive yellow paper, displays an Itemised list of exhibits and is Entrant's receipt for fees paid. This will be given to Exhibitors when exhibits are presented to Stewards at date/times as indicated in the Show Schedule. (THEY WILL NOT BE POSTED TO EXHIBITORS)

Do not deliver exhibits to the Newsagency or post to the Show Recorder. They will not accept responsibility for exhibits.
