74th ANNUAL GIDGEGANNUP SHOW – 30th OCTOBER 2021 Invitation to Book Groundspace

Dear Stallholder;

Thank you for supporting the Gidgegannup Agricultural Show in previous years.

We appreciate the amount of time and effort our stallholders put into making the day a success and would like to reward your efforts by offering you the first opportunity to select your preferred location for the 2021 show and, for the 'early birds', a discount on the site rates. **If the Show is cancelled due to the COVID19 pandemic, all monies will be refunded in full.**

The current way of booking sites, where the layout of the sites is predefined and you, as a vendor, can select your preferred site(s). The layout is very similar to previous years but a few sites have been renumbered so please take the time to study the proposed map attached to this email. Please note that the subtleties of the map may change as we get closer to the day, and you may not be allocated your preferred site(s), but our intention is to be as helpful and considerate as we can be to all.

The Application Forms are the same as last year, also attached is a brief "how-to" guide, along with the "Notes and Conditions for Vendors" and the current Schedule of Rates, these are intended to help you through the application process.

If an application is made and paid for before 1st August a 10% Early Bird Discount will apply. All other applications must be made by 23rd September and completed by 1st October so that the final communications about parking, passes etc. can be sent out. SITES for FOOD VENDORS are very limited, so if you have been to our show before and wish to book a space, IMMEDIATE APPLICATION is essential. **Please note that power on the day is not available therefore you'll need to bring your own generator if required.**

We look forward to seeing you at the 2021 Gidgegannup Agricultural Show in October!
