78th ANNUAL GIDGEGANNUP SHOW – 26th OCTOBER 2024 Invitation to Book Groundspace

Dear Stallholder;

Thank you for supporting the Gidgegannup Agricultural Show in previous years.

We appreciate the amount of time and effort our stallholders put into making the day a success and would like to reward your efforts by offering you the first opportunity to select your preferred location for the 2024 show.

The site maps layout is in undergoing a major revamp to improve the experience for vendors and patrons. Last year's sitemaps are available for you to determine the general area you'd like to be located. You'll be notified of your site in June when you'll receive your invoice. It's our intention is to be as helpful and considerate as we can be to all.

The groundspace Application Form has a few amendments, also attached is a brief "how-to" guide, along with the "Notes and Conditions for Vendors" *Revision B* and the current Schedule of Rates, these are intended to help you through the application process.

Sites are allocated as applications are received and all applications close on 14th September and all payments are due on 23rd September. Final communication about parking, passes etc. will be sent in early October. SITES for FOOD VENDORS are very limited so IMMEDIATE APPLICATION is essential. **Please note that power on the day is not available** therefore you'll need to bring your own generator if required. Specific safety requirements for the use of generators are included in the Notes and Conditions for Vendors.

We look forward to seeing you at the 2024 Gidgegannup Agricultural Show in October.

Applications on the attached form are to be emailed to groundspace@gidgeagsociety.com.au Maps of the Showground can be located at <http://www.gidgegannup.info/> If you have any questions or queries please don't hesitate to email groundspace@gidgeagsociety.com.au
